

## Office of Emergency Management

Date: June 12, 2016

Reply to: Paul Hollar, Montezuma County Emergency Manager, 970-564-4137

Public Service Announcement: Road F Wildfire

The Road F Fire started at approximately 4:25 pm on the north side Road F west of the County Landfill. It burned approximately 5-10 acres before being 100% contained at 7:00 pm. No homes or structures were affected. The cause of the fire is being investigated.

Thanks to all of the agencies that responded to this fire which includes fire units from Cortez, Dolores, Mancos, Lewis-Arriola, Ute Mountain, BLM, and the Forest Service. Personnel from the Montezuma County Sheriff's Office, the Montezuma County Landfill, and the Montezuma County Office of Emergency Management also assisted in the response.
