

Scam targeting jail inmates draws attention in Montezuma County

Don't be a victim:

- Never wire money to someone you do not know or to someone with an identity you can't verify.
 - Call the bondsman whose name is being used.
 - A legitimate bail bondsman will not call to solicit money or ask for payment over the phone.
 - Law enforcement agencies will not call you on the phone to inform you of an impending arrest, and they will not solicit money from you over the phone.
- Hang up, look up the phone number for the law enforcement agency the person calling you says he represents and call the agency back for verification.
