

I got all of the Mancos area gates closed today. In general there is about 1 to 1.5 feet of snow at the closure gates. The following roads were close today.

West Mancos 561 Closed at Transfer Campground.

Haycamp Road 556 Closed at the Jct with 558 road.

Chicken Creek 385 Closed at the Forest Boundary for ski operations

Millwood Road 559 Closed at the gate just past the first PVT inholding.

Madden Peak road 317 Closed just past the private property.

We will look at the Boggy areas Next week but may wait for another storm cycle.
