Please note: Colorado law regulates the release of all public and criminal justice records; therefore some law enforcement records may not be releasable. In addition, we can only release the records of our agency. Reports from other agencies must be obtained from those agencies. Statewide records from Colorado Bureau of Investigation must be obtained through the CBI at 303 239-4208. Final dispositions must be obtained / verified through court records. All costs for reproduction of records have been authorized by the Colorado Revised Statute 24-72-306, and established by the Montezuma County Commissioners.
